PUBLIC COMMENTS

The public comment portion of this agenda provides an opportunity for the public to address the Governing Board on items not listed on the agenda and that are of interest to the public at large and are within the subject matter jurisdiction of this Board. The Governing Board is prohibited by law from taking action on matters discussed that are not on the agenda, and no adverse conclusions should be drawn if the Board does not respond to public comments at this time. Comments that concern individual incidences of patient care are welcome, however we encourage doing so only after other administrative avenues for redress have been fully exhausted. In all such instances we will be unable to ever respond publicly due to patient confidentiality obligations. In all cases, your concerns will be referred to the Administrator for review and a timely response.

A “Request to Speak” form shall be submitted to the clerk of the Board and can be found at the entrance to the meeting area. Comments are to be limited to three minutes per speaker and shall not exceed a total of 20 minutes. All comments are to be directed to the Governing Board and shall not consist of any personal attacks. Members of the public are expected to maintain a professional, courteous decorum during their comments. Public input may be offered on an agenda item when the item comes up for discussion and/or action and will be limited to 90 seconds per speaker. Members of the public who wish to speak shall proceed when called by the Chairperson the Board. Please state your name and community of residence for the record.
